JONES INTERNATIONAL UNIVERSITY®  
*The Gold Standard Online University™*

## Jones International University Joins EdLink's Featured Provider Network

FOR IMMEDIATE RELEASE – August 30, 2011

CHICAGO, IL -- EdLink— the largest provider of corporate tuition assistance services offering a full range of tuition administration solutions— is pleased to announce that Jones International University® (JIU®) has joined its Featured Provider Network. EdLink's expanding network contains over 65 regionally accredited higher education institutions that offer preferred tuition rates to all of EdLink's clients.

Founded in 1993, Jones International University was the first university in the world to exist 100% online. Over the years, JIU has evolved into a leading provider of online degree programs, offering Associate's, Bachelor's, Master's and Doctorate degrees through their School of Education and School of Business.

As the first fully online university to receive the highest level of accreditation, JIU offers online degree options that provide tools and strategies for career starters, career changers and career advancers. Classes are taught by a mix of faculty that come from the world's most prestigious institutions and organizations.

*"The partnership between JIU and EdLink provides a unique opportunity for today's working professionals to advance their education, all while working full-time and balancing life's biggest commitments,"* stated Richard Cox, Chief Operating Officer at JIU.

JIU was recently named as one of the top five best online universities by Global Academy Online and offers one of the Top 20 Online MBA programs according to CEO Magazine.

*"We are very excited to have JIU as our education partner,"* stated Jason Mulrooney, Manager of Education Partnerships at EdLink. *"Their online degree programs add tremendous value to our growing Featured Provider Network."*
